salmanshaik.ch

MSc Business Administration student at HSLU with a Computer Science background and **hands-on consulting experience**. Analysed the **digital transformation of a Swiss public institution**, and am currently researching the needs of physicians in Switzerland for a **healthcare consulting Project** and advising an **SME** as part of a **real-client consulting** engagement. Independently researched **why half of new Swiss companies close within five years**, using data analysis in Power BI and consulting frameworks (salmanshaik.ch). Certified Scrum Master (**PSM I**). Available now for part-time consulting or strategy roles in Switzerland.

EDUCATION

- **MSc Business Administration, Business Innovation & Entrepreneurship** **2026 - Present**
HSLU Lucerne, CH - 4.83/6
- **B.Tech in Computer Science & Engineering** **2021 - 2025**
Presidency University, Bengaluru, IN - 6.64/10

INDEPENDENT CASE STUDIES

Swiss Company Survival Case Study **10/2026**

Full case study: salmanshaik.ch/work/swiss-startup-survival

- Analysed 10 years of BFS and Swiss Venture Capital Report data in Power BI to find out why half of new Swiss companies close within five years.
- Identified sector and team size as the strongest survival drivers (38–63% by sector) and found no clear link to investor capital.
- Applied consulting frameworks to turn the findings into strategic recommendations for founders, investors and cantons, published as a 45-page report and 12-part blog series.

CONSULTING & RESEARCH PROJECTS

SME Consulting | Consulting Student **09/2026 - Present**

- Semester-long consulting engagement with a Swiss SME, working in a three-person team
- Acquiring the client and identifying a business challenge that needs solving
- Developing a tailored solution in close collaboration with the SME's management

Applied Research Consulting | Consulting Student **09/2026 - Present**

- Interviewing 10+ physicians to identify operational pain points and the services they would outsource.
- Defining the value proposition and pricing model for a practice-management consulting offer in Switzerland.

Digital Transformation & Change Management Project | Consulting Student **05/2026**

- Diagnosed why a Swiss public institution's digital transformation was stalling by running and coding stakeholder interviews across all organisational levels.
- Applied Lewin, McKinsey 7S, Kotter and Schein frameworks to pinpoint resistance, cultural barriers and gaps in change readiness.
- Delivered actionable recommendations to leadership in a five-person team, graded 5.25/6.

- Designed go-to-market strategies and commercial pricing models based on structured qualitative market research and user feedback.
- Developed stakeholder alignment presentations and tracking frameworks to evaluate commercial viability (Grade 5.4/6.0).

Qualitative Research: International Students' Food Choices at HSLU | Research Analyst**05/2026**

- Executed qualitative research methodologies and structured coding frameworks within a 5-person team, translating raw interview data into actionable executive summaries (Grade: 5.5/6.0).
- Managed end-to-end project scheduling, communication templates, and final deliverable presentation decks.

Technical Capstone Projects | Project Lead**2021 - 2025**

- Led a team of five to build a Smart Waste Management System, published in IJSAT.
- Designed Eco Drive, a gamified carbon-tracking mobile app, published in IJSREM.

SKILLS

- **Strategy & Consulting:** Structured problem solving, hypothesis-driven analysis, market and competitor analysis, go-to-market strategy, digital transformation strategy, commercial due diligence, pricing analysis.
- **Research & Analysis:** Stakeholder and expert interviews, qualitative research and coding, data analysis, data visualisation, scenario planning, PESTEL, Porter's Five Forces
- **Tools:** Power BI, Microsoft Excel, Microsoft PowerPoint, Canva, Google Analytics 4
- **Project Delivery:** Project management, Agile/Scrum, stakeholder management, executive presentations, cross-functional teamwork
- **Languages:** English (C1), German (A2), Hindi and Telugu (native)
